

5/16/07 Proehlific and ORYA Partnership

The Oak Ridge Youth Association has established a partnership with Proehlific Park to become the Official Trainer of all ORYA Sports. Ricky Proehl has invited participants in the ORYA an opportunity to become a Charter Member of Proehlific Park. Charter Membership in Proehlific Park will be limited anyone who commits to joining the Park prior to June 30, 2007 by completing the application on www.proehlificpark.com and paying a \$25 non-refundable deposit will be guaranteed membership when the Park opens. Charter Members will receive additional benefits listed on the website and ORYA Charter Members will receive unique training opportunities with Ricky. Membership fees (see website) are applicable once you join the park but they are far more economical than what the ORYA has been able to offer through other organizations in the past.

As many of you know Ricky was a member of our Jr PeeWee Red Coaching Staff last year and both of his sons Austin and Blake will play football for the Colts this fall. Ricky says "Pop Warner taught me the proper fundamentals at a young age which enabled me to have success in the future, I see those same fundamentals being taught at the Oak Ridge Colts."

Proehlific Park will have amazing facilities and offer a lot of opportunities for its members. There will be Individual Skills Instruction for baseball, basketball, soccer, football, volleyball and softball; Sports Performance Training for speed, strength, agility, flexibility and conditioning; Team Play for baseball, softball, soccer, basketball and volleyball; Daily Open Opportunities where kids can just play; Members Skills Tournaments and Contests; Study/Hall Computer Lab; Life Skills Mentoring; Weekly Group Clinics; Ricky Proehl Football Camp; Bible Study/ Fellowship; and Health/ Happy Family Presentations.

The ORYA is excited about our partnership with Proehlific Park and the unique opportunities it give our participants to enhance their skills both on and off the field.
