

Commitment for the ORYA Board of Directors

It is an honor to be selected to serve on the Oak Ridge Youth Association Board of Directors. Each Director of the ORYA Board is essential to its survival and is expected to contribute and be an active member. Directors should be responsible and willing to put the time and effort into the ORYA that is needed in order to make it successful. If you are unable to attend and volunteer to the level that is expected of an ORYA Board Member then there are other ways you may serve rather than as a full capacity Board Member. All Board Members are held accountable for their areas of responsibility.
