

# ORVA Booster Club and Sponsorship Information

The Oak Ridge Youth Association is one of the largest youth sports programs in the area with over 1,200 participants in our sports programs. We offer a wide range of sports that includes PONY Baseball, Basketball & Cheerleading, Pop Warner Football & Cheerleading, KSA Soccer and Girls Softball. Sponsoring our programs are a great way to promote your business in the NW Guilford County area and to show your support of youth sports. Without the generosity of boosters & sponsors, it would be very difficult to maintain a quality athletic program. On behalf of all the children and coaches that participate in our sports programs we would like to extend a sincere "Thank You" for your support.
